Ankit Mishra

Registration No.: 25BCY10177

B.Tech CSE (Cyber Security), VIT Bhopal University

Date:

March 28, 2026

Task 4 Overview

This report details professional email drafting for academic and internship purposes, alongside a structured guide for ethical and safe social media usage based on the provided task materials.

PROFESSIONAL EMAIL CORRESPONDENCE

This section analyzes the templates provided for formal academic and professional inquiries.

Email 1: Assignment Extension Request

- **Recipient:** Professor Sharma.
- **Subject:** Request for Extension on Assignment Submission.

- **Context:** Requesting an extension for a Data Structures Assignment originally due on 25 March 2026.
- **Reason Provided:** Viral fever and ongoing recovery.
- **Proposed New Deadline:** 30 March 2026.

Email 2: Internship Application Inquiry

- **Recipient:** Internship Coordinator.
- **Subject:** Application for Summer Internship Opportunity.
- **Applicant Profile:** B.Tech student in Computer Science (Cyber Security) at VIT Bhopal University.
- **Core Skills Identified:** Python, problem-solving, and digital security.
- **Areas of Interest:** Cybersecurity, software development, and network defense.

SOCIAL MEDIA ETHICS: DO'S AND DON'TS

The following guidelines summarize the established practices for maintaining a safe and professional digital presence.

Recommended Practices (Do's)

- X **Pre-posting Reflection:** Ensure content is appropriate and respectful.
- X **Privacy Protection:** Secure personal info (address, phone, passwords).
- X **Security Layers:** Use strong passwords and enable two-factor authentication (2FA).
- X **Fact-Checking:** Verify information to avoid spreading rumors or fake news.
- X **Professionalism:** Maintain a positive digital footprint reflecting personal values.

Prohibited Actions (Don'ts)

- × **Public Sharing:** Do not share sensitive personal details publicly.
- × **Hostility:** Do not engage in cyberbullying or trolling.
- × **Inappropriate Content:** Avoid posting offensive or harmful material.
- × **Oversharing:** Do not broadcast exact locations or daily routines.
- × **Suspicious Connections:** Avoid accepting requests from unknown or suspicious accounts.

SUMMARY OF FINDINGS

Task 4 demonstrates the practical application of digital literacy through:

1. **Formal Writing:** Drafting concise, respectful, and reason-based professional emails.
2. **Digital Hygiene:** Implementing security measures like 2FA and privacy controls.

3. **Behavioral Standards:** Adhering to social media norms that protect both the user and their professional reputation.
